Bobby the Golden Retriever is Named Select's Mascot

Our favorite golden retriever, Bobby, is Select Auto & Truck Repair's official mascot. He represents how Select treats its customers, with a smile and happy to see anyone walking through the door and giving customers utmost attention and quality service. Bobby earned a title of "the best dog ever" by many of our customers, and Select can not find a better motivator to become "the best shop ever"

Choosing Bobby as a mascot was easy. He is always around, and because he is so friendly, anyone who comes into the shop gets to know him. Although he has his weaknesses (food mostly), his personality brings sunshine to any room and brightens anyone's day. We are extremely proud of having Bobby on our team - petting is always free and plenty - he misses no one. He is truly a treasure.

Bobby enjoys coming in every morning and spending his time greeting all visitors. He is a people dog, gentle, patient, and extremely affectionate. He enjoys frequent treats and petting from both employees and customers alike. So, next time you are in the shop, don't forget to say hello to Bobby - the best dog ever - you won't regret getting to know him.

From John's Desk

Hello Everyone,

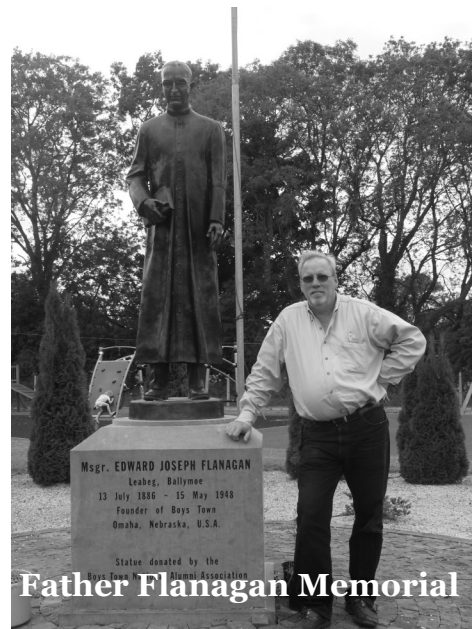

This summer, I finally got to travel to Ireland. It was a long-awaited trip, and I am so happy I went. Although I spent only 4 days there, the experience was incredible. Not only did I visit my family's hometown, but I also experienced driving on a different side of the road, paying homage to Blarney Castle and Cliffs of Moher, and exploring Irish cities, towns, and food.

Visiting Ireland has been on my list for along time. I wanted to get back to my roots and experience my heritage. Ireland did all this plus more. For one, I learned where my love of bacon comes from. Also, the Blarney stone is a bunch of blarney. Since this was my first time to Europe, I had a great time comparing cultural differences as well. This was an extremely illuminating experience - I can't believe I haven't done this earlier!

I took many pictures, including a memorial for John F. Cryan of Essex County, NJ in Castlerea, Ireland. I absolutely can not wait to come back and finish exploring this wonderful country. There's so much history, so many nice people, and I can not possibly imagine spending my time anywhere else. So, next time you are visiting with us, please come in and say hi and tell me your Ireland experience, I would love to hear it!

Proudly Irish,

John McElroy
